# Chairman's Welcome

As Chairman of Caherlistrane Sheep Shearing Committee I am delighted to welcome you to the first event in the Osmond All Ireland & International Sheep Shearing Championships 2008 in association with Murphy's Headford Ltd.

I want to thank all our very generous sponsors for the weekend, particularly those associated with the Queen of the Wool: Queally's Bar & Lounge, The Arches Hotel and McGrath's Quarry Group. A special thanks also to those who put in a big effort to make tonight such a success, in particular Chris Lawless, Joe Cradock and Bernie Murphy.

We look forward to your continued support over the weekend. Tomorrow night we have music and dancing with Louise Morrissey, and the Oyster Boys will play out the weekend's festivities. Shearing commences at 11am tomorrow and at 8am on Sunday. There will be many other side attractions so come along for a weekend of fun and exciting competition too good to miss!
